

2008 Spring Runoff Results

71 runners took part in the 26th annual Spring Runoff Road Race and Walk for Diabetes on Sunday Apr. 6. Cool temperatures, light wind and a few snowflakes greeted the runners just prior to the start of the 1 km kids event. The snow stopped as the 1 km race began and conditions improved slightly for the 3, 5 and 10 km runners and walkers. Dawson Creek's Trevor Kolkea led the 10 km runners to the finish line with a time of 35:18. Lori Leduc of Grande Prairie led the 10 km ladies with a time of 41:54.2. Prizes were awarded to the top 3 runners in the 5 and 10 km events. Marc Joseph Trends Clothing donated prizes to the runners in the Moose FM 3 km fun run. Organizers would like to thank Ritchie Brothers Auctions for donating prizes for the 5 km and 10 km events.
