

To ensure that the Hytek Advancer Files upload correctly, it is imperative that the Division Codes match. Here is what I have. Please, Please, Please make sure that your codes are the same.

At the bottom of the Senior High Codes, there is an instruction for editing your Division Codes.

- Division Names are only used if Divisions has been selected for Meet Type in the Meet Set-up.
 - Divisions are used when you need separate placing and scoring systems for each division within the meet.
 - To add a new division, click on Add button.
 - To edit a division, single click the division name.
 - To delete a division, single click the division code.
 - To sort, click on the column header.

Youth USATF Youth AAU Add Close

There is a simple way to achieve the above in Meet Manager

- Change the meet date to age-up date first (Sept 1, 2016)
- Tweak the division ages
- Test the division ages
- Change the meet date back to the normal date

So long as you do not go through the Division settings again, the dates should be kept
