1. The schedule is guide and represents the maximum you should be doing - you'll probably miss a few workouts along the way - that's ok. Listen to your body; take extra rest when you need it
2. Sunday long run - if you feel good, it ok to run the last 15 to 20 minutes of the Sunday run a bit quicker
3. Rick Scott and Amanda D Hippy meets are in GP or Clairmont; the other races are in Edmonton
